November 30, 2015

Dear Parent/Guardian,

It was wonderful to see so many families come for our Thanksgiving breakfasts. We collected \$260 for the Homeless Children Fund. We will have a \$2 U.F.O. day on Wednesday, December 2. The money collected that day will also go to the homeless children in Pittsburgh. Special thanks to the 8th grade moms who made the delicious waffles. We all enjoyed them! Thanks to all those who purchased Sarris Candy. Our total was \$6,840 sales and we made \$2,042.

The Fundraising Statement for the first eight months (April 1 – November 30) will be sent home next week. The statement is not a bill to be paid at this time as there are 4 more months to accumulate money for your fundraising fee.

Are your children growing so quickly that they need new uniforms? Before you purchase any new items, I encourage you to go through the “gently used” school uniform cupboard located in the back of the teacher’s lounge. There are boys and girls shorts and pants, short and long-sleeved polo shirts and gym sweatshirts. If you find something you can use, please leave a small donation at the office.

During Catholic Schools Week in January, students will be wearing crazy socks, crazy hats, patriotic shirts, and favorite team jerseys. These may be good ideas to get your children as Christmas gifts.

There are many ways to celebrate the season here at St. Bernadette School. On Wednesday, December 9, our school band will perform their Christmas concert in the gym at 7:00 p.m. Our children’s Cantor Choir will present their Christmas pageant at 4:00 p.m. in the Church on Sunday, December 13. The school children will present “Christmas Jubilation” on Wednesday, December 16 at 7:00 p.m. in the Church. Try not to miss these wonderful Christmas events.

Throughout this prayerful time of Advent, may we look toward the coming of our Savior as our sign of eternal hope.

Blessings during this Advent/Christmas season,

Sister Carol Arch, C.S.J.
Principal

P.S. Please remember that if we have a 2-hour delay, we will not be going over to the lunch room. Students are to eat a late breakfast and pack a small lunch (ex. sandwich, fruit, and juice box) to eat in their classroom. Please do NOT bring any fast food lunches and anything that needs heated in a microwave. Thank you.
